

Bee City USA - Wellington

Report on 2021

Pollinator Habitat Creation & Enhancement

We have only begun to work with the Village of Wellington an Plantings but we hope to do more in the near future. This past years opportunity to plant Sunflowers on the fairground acreage we hope is just the beginning.

Sunflower field at the Lorain County Fairground, July 2021.

Quarter acre wildflower planting in the Village of Wellington at the recreational park spring/summer 2021.

The above image from the Lorain County Fairground, quarter acre sunflower planting, May 31, 2021.

Education & Outreach

1. Pollinator garden planted at the memorial Bee Yard in Grafton Ohio
2. A quarter acre of Wildflowers planted in the Village of Wellington
3. A quarter acre of Sunflowers planted at the fairgrounds including flower beds in the fairgrounds
4. Pollinator gardening class held at the Grafton meeting location with Noel of Pettiti Gardens
5. A large commercial store front window in the Village of Wellington on Main St. Showcasing Bee City and pollination for 4 months. January through April .It was a wonderful opportunity .
6. Fourth of July Wellington we sponsored a huge Pollinator float as well as an educational booth.
7. Lorain County Beekeepers host a 30×90 foot barn every year at the Lorain County fair.We have an area to showcase Bee City and an informational booth as well.
8. A new annual event sponsored by Lorain County Beekeepers “End of Summer Classic” held at the Lorain County Fairgrounds in Septemeber, with an emphasis on Pollinators, beekeeping, environment and education.
9. Our Lorain County Face book page has up to date references, picture etc. regarding our activities as well. A recent window project alone had 22 shares.
10. Lorain County Beekeepers as been donated monthly/daily Public Service announcements on WDLW and WOBL radio ,Lorain County with which to keep the listening audience informed about upcoming events for LCBA and Bee City.
