

Bee City USA Annual Report for 2018 Pollinator Conservation & Education

LOOKOUT MOUNTAIN, TENNESSEE

EDUCATION & OUTREACH

Fairyland Elementary School students. Photo: Ann Brown

Our committee was involved in spreading the word about Bee City USA and the importance of pesticide-free pollinator gardens. We gave PowerPoint presentations to six clubs and organizations on Lookout Mountain.

POLLINATOR HEALTH & HABITAT

Pollinator Festival, May 20 at Lookout Mountain School Gym

Over 200 people attended the Pollinator Festival and learned about the importance of native

plants for pollinator gardens. Native plants were for sale and children received a free pollinator seedling for their yards. Students received awards for their efforts.
